Irregular Route Operations         )

Case No. AP-2004-124

Applicant seeks a certificate of authority to transport passengers in irregular route operations between points in the Metropolitan District, restricted to transportation in vehicles with a seating capacity of less than 16 persons only, including the driver. The application is unopposed.

The Compact, Title II, Article XI, Section 7(a), authorizes the Commission to issue a certificate of authority if it finds that the proposed transportation is consistent with the public interest and that the applicant is fit, willing, and able to perform the proposed transportation properly, conform to the provisions of the Compact, and conform to the rules, regulations, and requirements of the Commission.

Applicant proposes commencing operations with five vans. Applicant's proposed tariff contains rates for transportation under a contract with LogistiCare Solutions, LLC, WMATC Carrier No. 524.

LogistiCare has a contract with the Washington Metropolitan Area Transit Authority (WMATA). The contract requires LogistiCare to operate a reservation system for the benefit of disabled individuals participating in WMATA's MetroAccess program and to ensure that program participants receive timely and adequate transportation service. The MetroAccess program is WMATA's means of complying with the Americans with Disabilities Act of 1990.<sup>1</sup>

Applicant verifies that: (1) applicant owns or leases, or has the means to acquire through ownership or lease, one or more motor vehicles meeting the Commission's safety requirements and suitable for the transportation proposed in this application; (2) applicant owns, or has the means to acquire, a motor vehicle liability insurance policy that provides the minimum amount of coverage required by Commission regulations; and (3) applicant has access to, is familiar with and will comply with the Compact, the Commission's rules, regulations and orders, and Federal Motor Carrier Safety Regulations as they pertain to transportation of passengers for hire.

<sup>1</sup> 42 U.S.C. § 12101, et. seq. (1999).

Based on the evidence in this record, the Commission finds that the proposed transportation is consistent with the public interest and that applicant is fit, willing, and able to perform the proposed transportation properly, conform to the provisions of the Compact, and conform to the rules, regulations, and requirements of the Commission.

THEREFORE, IT IS ORDERED:

1. That upon applicant's timely compliance with the requirements of this order, Certificate of Authority No. 994 shall be issued to Matrix Ride Inc, 6387 Little River Turnpike, Alexandria, VA 22312.

2. That applicant may not transport passengers for hire between points in the Metropolitan District pursuant to this order unless and until a certificate of authority has been issued in accordance with the preceding paragraph.

4. That the grant of authority herein shall be void and the application shall stand denied upon applicant's failure to timely satisfy the conditions of issuance prescribed herein.
